Luxury Games Company Relaunches New Website

Its 'Game On' at Quantum Play as the luxury brand relaunches its high end website with a spectacular new collection of designer games products that truly stand out from the crowd.

The premium collection of the world's leading brands in modern gaming is brought together by Quantum Play on its slick new platform, showcasing the most innovative designs that break away from tradition and demand serious attention.

Setting a new tone for delivering bespoke and highly sought after Pool Tables, Foosball and Ping-Pong Tables, Quantum Play has raised the stakes in delivering exceptional products and a personal service to those who are seeking the very best that luxury gaming has to offer.

The sought after brands include Australian company *Elite Innovations*, who pioneered the Glass Pool Table with their revolutionary *G1*, paving the way for a new approach to the modern games room. And the French master craftsman, *Toulet*, who have a long history of producing some of the world's most unique and custom tables, including the curved Blacklight Pool Table and Blackball Foosball.

Adding style and flare are two of Italy's most iconic brands in gaming, the trend setting *Teckell* who have delivered a breath taking collection of crystal foosball tables and recently introduced their new crystal pool table - *Lo Scuro*. Adding to this impressive collection is the latest edition to Quantum Play the exceptional *Calma e Gesso* with their flagship *Filotto* Pool table and complimenting *Lungolinea* Ping-Pong Table, they are truly reinventing the classics with Italian craftsmanship of the highest standard.

Quantum Play is the *only* company worldwide to bring together this suite of luxury brands. With unparalleled custom options, these gaming products are designed to perfectly match your interior, your personality and your lifestyle.

With an unrivalled collection of top brands, a discreet service, worldwide shipping and a dedicated team of installers, Quantum Play is changing the rules and bringing to the table a new fusion of bespoke design and gaming for their growing clientele worldwide, ensuring they are delivering superior entertainment.
